THE OFFERING

120 Crown Drive represents a single-tenant industrial warehouse facility containing approximately 22,500 square feet on 5.6 acres with ample area for expansion, storage or parking.

CBRE is the exclusive marketing advisor for 120 Crown Drive (“Property”), representing a rare user investment opportunity consisting of a single-tenant warehouse facility in Batesville, MS. Constructed in 1993, the 22,500 square foot industrial building features metal construction, 17’ clear height, two (2) truck loading doors, two (2) drive-in doors, and approximately 4,000 SF of office space. Positioned on 5.6 acres, the Property offers ample parking and excess land for potential expansion, outside storage, or additional parking. In 2020, Ownership invested approximately \$1M in an extensive renovation which included updated office finishes, complete building re-wiring, updated doors, windows and exterior trim as well as additional site improvements.

The Property is well positioned with convenient access to major transit corridors including Highway 35 and Interstate 55. The area is a preferred location for industrial users in the Panola County area as neighboring tenancy includes Blauer Manufacturing, Institutform Technologies, Performance Food Group and GE Aviation.

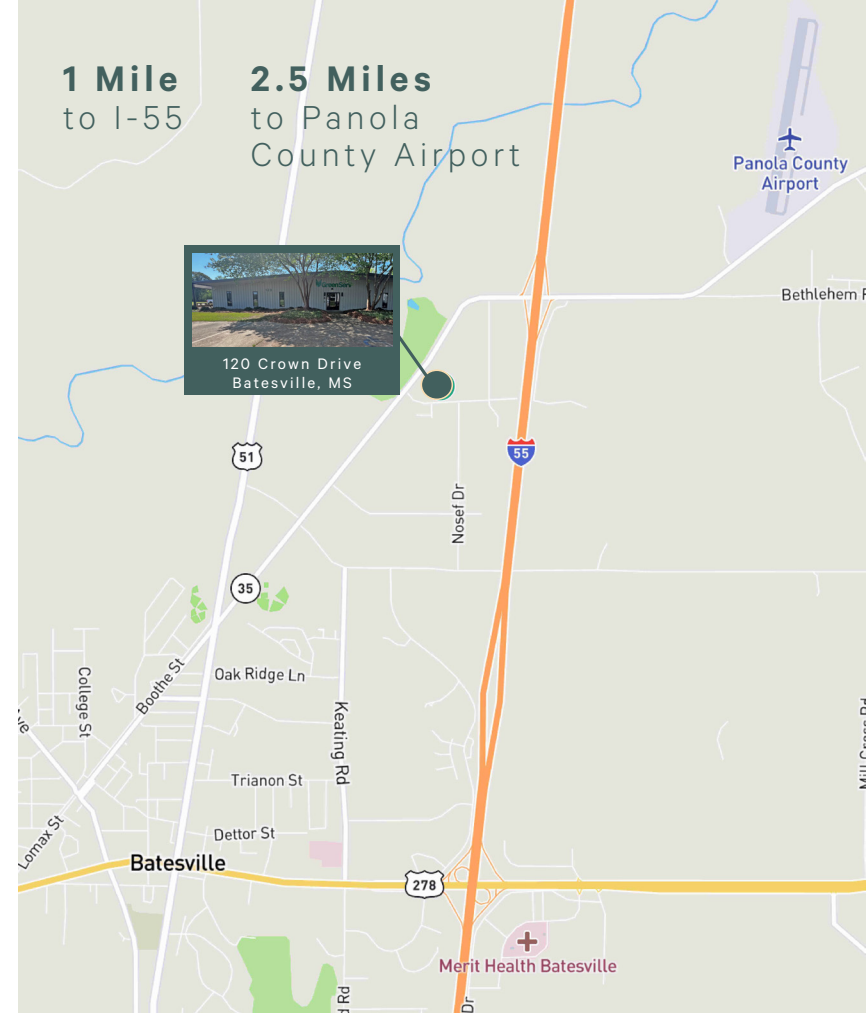

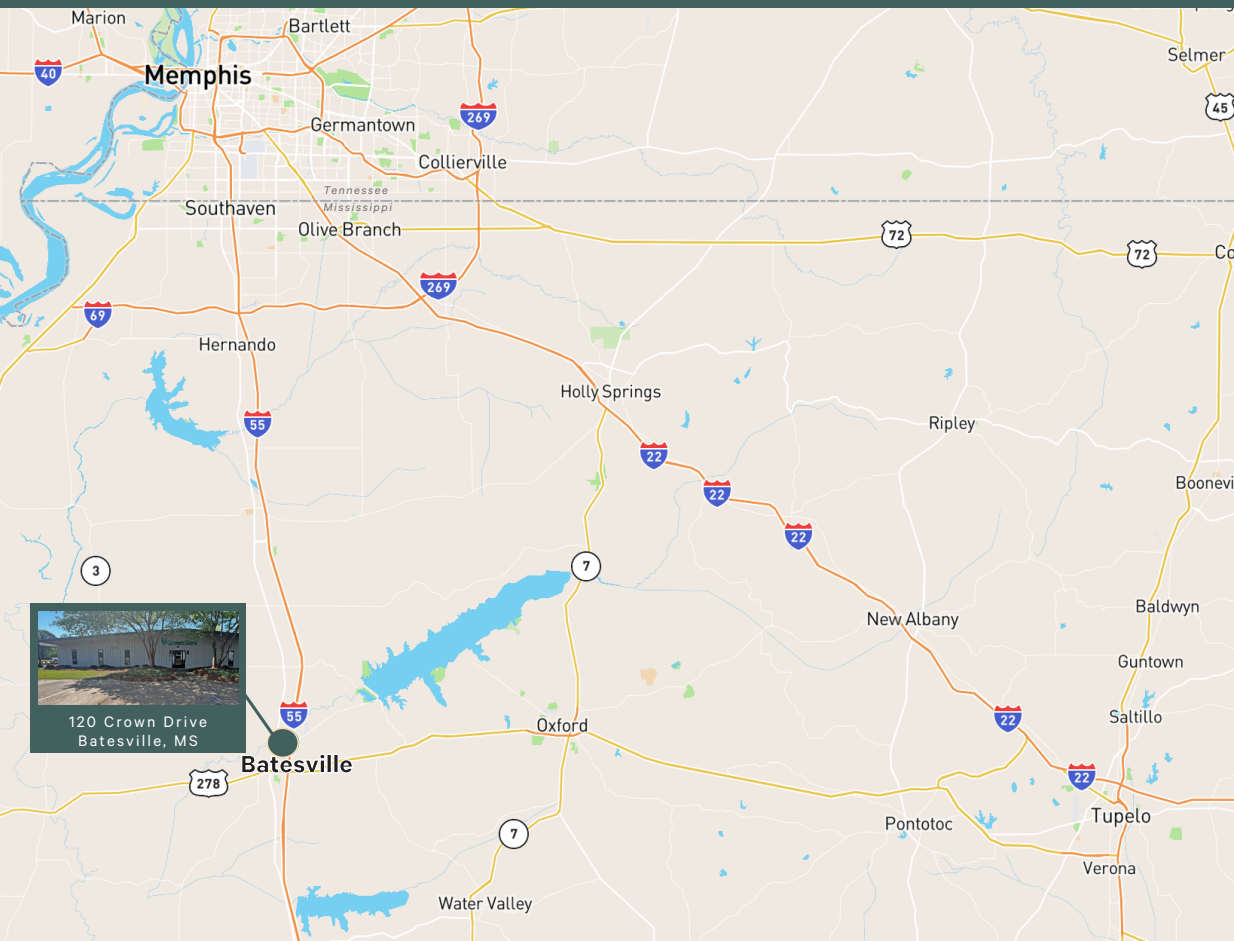

LOCATION

Batesville represents one of the county seats of Panola County, MS, which is approximately 55 miles from the Memphis MSA and approximately 80 miles from Tupelo, MS. The Property is well positioned with convenient access to Highway 35, Interstate 55 (a primary north/south trucking corridor for Mississippi), the Panola County Regional Airport, and the Grenada Railway.
